CLERK: 27 ayes, 0 nays, Madam President, on the advancement of LB 48.

PRESIDENT MOUL: LB 48 is advanced. Mr. Clerk, items for the record.

PRESIDENT MOUL: Yes, Madam President, thank you. Appropriations Committee gives notice of hearing, signed by Senator Moore as Chair. Lobby report for the week of January 29 through February 4, required by statute, will be in the Legislative Journal. Transportation Committee reports LB 106 to General File, LB 200 to General File with committee amendments, those signed by Senator Kristensen as Chair. (See pages 520-21 of the Legislative Journal.)

Madam President, next bill, LB 31, was a bill introduced by Senator Kristensen. (Read title.) The bill was introduced on January 7, referred to the Government Committee, advanced to General File. I have Government, Military and Veterans Affairs Committee amendments pending. (See AM0079 referred to on page 440 of the Legislative Journal.)

PRESIDENT MOUL: Senator Schimek.

SENATOR SCHIMEK: Yes, Madam President and members of the body, this is a technical amendment. If you look at the green copy of the original bill, you will notice that in Section 60, it talks about the Revisor of Statutes shall prepare legislation for introduction in the next regular session. The Revisor of Statutes informed us that they thought we ought to do the revisions in this bill this year. So what the committee amendment does is it goes through the bill and makes some corrections, really technical things like a's for the's, and hers added to the amendment, these kinds of gender corrections. So the committee amendment simply revises the bill this year instead of leaving it to the Revisor to do for next year. With that, I would just urge your adoption of the amendment.

PRESIDENT MOUL: Thank you, Senator Schimek. Does anyone wish to speak to the committee amendments? Seeing none, we will now vote on the committee amendments to LB 31. All those in favor please vote aye, opposed nay. Have you all voted on the committee amendments? Please record, Mr. Clerk.
